## WORK EXPERIENCE

**Web Developer** | Chronicle Ventures Aug 2024- Present

- Delivered responsive websites with improved user experience and seamless cross-device functionality through expert utilization of HTML, CSS, JavaScript, BOOTSTRAP, and PHP.
- Contributed to enhanced user engagement by implementing intuitive and accessible front-end designs.
- Established hosting for each website and completed go-live process by uploading sites to host account.

**Web Developer Intern** | Hospitality Minds April 2024- May 2024

- Contributed to the design and development of responsive websites using HTML, CSS, JavaScript, Bootstrap, and PHP, gaining practical experience in full-stack web development.
- Assisted in implementing front-end and back-end solutions, learning to create dynamic and interactive web pages.
- Gained hands-on experience in utilizing Bootstrap to streamline front-end development and maintain consistent styling.
- Actively learned and implemented best practices in web development.

**Frontend Developer Intern** | Digibiz Systems Aug 2023- Mar 2024

- Developed responsive UIs using HTML, CSS, and JavaScript.
- Built interactive website features and responsive components with Bootstrap.
- Translated design mockups into functional web pages.
- Focused on user experience, accessibility, and seamless integration.
- Assisted in debugging, troubleshooting, and implementing best practices in front-end development.
